

# SHARK ANGLING CLUB OF GREAT BRITAIN

## SUMMER 2015 NEWSLETTER

### CHAIRMAN'S REPORT

As many of you are aware, the club has seen many changes over the past twelve months. These changes include the closing of the booking agency, the relinquishing of our premises on the quay. In the future we hope to have a space for our headquarters in the proposed new development on the lower end of West Looe Quay. At present we are holding our meetings in Looe Social Club, we meet on the forth Monday every month. Any members who are in Looe at that time are welcome to attend.

There has been an increase in the number of sharks caught in the last few years, with an average of 600 caught from Looe each year.
