- Retro day – Kevin Tapper stated that he would be able to help with Retro Day as he was going to assist Paul anyway.
- Trophy request – The following email from Paul Martin was read out: **Hi claire,**

I would like to put forward an idea for a trophy I was going to suggest when I moved down and retired to looe but this may become my legacy to the club.....especially since my latest prognosis today I wish to let the club have a new trophy called The Outlaw Trophy.. a cup I could never compete for This would be based around the criteria of a 30 mile range from the major oak in Edwinstowe, sherwood forest....

30 miles radius to Doncaster and this also takes in parts of Derbyshire too and will easily take up the trip to Jerusalem inn and Nottingham Castle.etc... this could be competed for by the folks who don't get into the criteria of the Yorkshire or Midlands Cup and also has a little legendary mythos involved in it too I truly believe that in the future we will end up using the 3 word system to vet trophy claims in the future since Milton Keynes is now classed as part of the Midlands trophy criteria yet it is actually part of the home counties...it will end up being the only.fair way in my opinion

I hope the committee will allow this final request of mine to become a real thing for me to be remembered by

**Many thanks,
Paul**

The Committee agreed to this request. Kevin Tapper stated that he had the design ideas that Paul had agreed with him and that he would update the Committee in the future.

1. It was requested that a Sympathy card be sent to Mrs Suzanne Martin.
2. Alex McKay stated that he would be working away for a couple of months but would like to remain a member of the Committee.
