Matters Arising

1. Festival follow up:

Yellowfin – unauthorized use of logo. The secretary had been in touch with the skipper and received the following reply:

Hello Claire

Thanks for the email I wasn't aware of the rules regarding the insignia of the Club very sorry if I've caused any issues wasn't my intention.

If I can do anything to compensate for the inconvenience caused please let me know.

If you want me to get rid of the polo shirts then I will do .

Many Thanks

Kurt

It was suggested that Kurt be offered skipper membership to allow him to use the logo, but that permission would still need to be sought for any future use of the logo by Mr Lander and his crew. This was agreed, the secretary to action.

Any Other Business

1. D Gorrington stated that further to comments regarding the boarding of the Thresher at this years festival, he felt that changes should be made. He added that this was no reflection on the skipper and angler that caught the fish, they had followed the current rules. But he felt that a new way of measuring and recording the fish should be investigated. The Committee agreed. Further discussion to take place in the future. He also asked if Simon Thomas could be informed of this and asked if he would be willing to join us again, if this change took place.
2. The Chair stated that further to discussion with the secretary, a new section would be added to the agenda. This would be a monthly breakdown of the accounts. The last three years accounts also to be added to the members area of the website.

Date of Next Meeting – 1st October 2025 – at 7.00pm Lower Bar, Social Club, West Looe and via Zoom.
